the facades of the buildings are decorated with frescoes. Then, visit the charming little town of Feldkirch, Austria. Dating back to the early 13th century, the Medieval Old Town still preserves a lot of its original character and it'll make you feel like you've stepped into a fairy-tale. Later, a stop in Vaduz, Liechtenstein will check-off the fifth country on this grand tour. Vaduz, a tiny capital for a tiny country, with a picture-perfect backdrop. Crouching at the foot of forested mountains, hugging the banks of the Rhine and crowned by a turreted castle, the town is visually stunning. The bustling center itself is curiously modern but just a few minutes' walk brings you to traces of the quaint village that existed around 50 years ago and quiet vineyards where the Alps seem a little bit closer.

Friday, May 17<sup>th</sup> - Today, we will head to the Zurich airport for our return flights to Ohio, arriving tonight.
